Juliana,

We are disappointed that the State is wading in to this dispute and would request at least a phone call, if not a face-to-face meeting with the Governor's office before doing so as the fear-based motion of the Town is not based in any science-based concern. We are able to facilitate such a meeting on an immediate expedited basis. Also, we cannot consider assent without first knowing the substance of your argument. If you are compelled to file a reply without such a meeting, our position is that the issues are already fully briefed, and the Tribe's assent would be conditioned on your assent to, and the Court's agreement to, the Tribe filing a sur-reply.

Also, please be certain to include Lael Echo-Hawk at the above-listed email on all communications going forward.

Scott,

I hope you are well. The Commonwealth intends to seek leave to file a short reply to the Tribe's opposition to the Town's motion. Will your clients assent?

Thanks

Juliana
